

About Us

Wittmont Pty Ltd (continuing the Mapp Bros tradition) is a wholly West Australian owned and operated company, manufacturing high quality timber joinery since the 1920s.

We attribute our continued success to clever design, complemented by the best in hardware.

With our focus firmly on merging the unsurpassed beauty of timber with the benefits of modern technology, our emphasis has always been on functionality and pleasing aesthetics.

We pride ourselves on the level of repeat business and client recommendations.
